

**Portland Junior Winterhawks Youth  
Hockey Association  
Financial Assistance Program**

**GENERAL INFORMATION- 2019/20 Season**

The Portland Junior Winterhawks Youth Hockey Association (PJW) has established a financial assistance program to provide assistance to player families that have run into financial hardship. The intent is to keep kids playing the game of hockey rather than be forced out by the hardship. Levels of assistance will vary based on funds available. All financial awards will be paid directly to the **Winterhawks Jr. Hockey program**. Partial or full awards may be granted; however, in no case will the financial award amount exceed the current year's registration fee.

Scholarships will be considered for any athlete previously registered with the Portland Junior Winterhawks and playing within the state of Oregon for the 2019/20 season. We believe anyone interested in playing hockey should have the opportunity to continue to play. The PJW Board will establish the Financial Assistance Committee (FAC) which will be authorized to award assistance based on availability of those funds. Factors for approval will include but are not limited to:

1. Demonstrated financial need
2. Availability of funds
3. Completed financial aid form (incomplete forms will not be considered)

**PROCEDURES**

**Send completed forms and info to [vicepresident@jrwinterhawks.com](mailto:vicepresident@jrwinterhawks.com) by **AUGUST 31<sup>st</sup>, 2019**.** Exceptions may be reviewed on a case-by-case basis however; because a limited amount of funding is available, we strongly suggest you submit your application prior to the deadline. The FAC will review the form for completeness and forward the application to the Treasurer, who may verify financial information submitted.
