Re: 2018 PJW Election

I've built my professional career in Commercial Real Estate and I'm not only used to wearing many hats, I'm used to juggling them! I thrive in an environment in which no two work days are exactly the same and understand that clear, concise communication *and* follow up is integral in promoting positive relationships (not only professionally but personally).

Currently, our family has one Mite and one Varsity athlete in the PJW association. For more than a decade, it has been my great pleasure to support and serve the Portland Jr. Winterhawks (PJW) as a parent, coaches wife, and volunteer. I have assisted each division of PJW in various capacities and am currently serving as both a Team Manager and as the Winterhawks Varsity Hockey League Director. It is with this experience and understanding that I respectfully submit my interest in serving as the Portland Jr. Winterhawks League Administrator/Secretary.

With your approval and nomination, I'm up to the challenge of fulfilling the role of League Administrator/Secretary. If I may provide any further information about myself or answer any questions, I'm very happy to connect. I may be best reached at 503.528.4564.

Thank you in advance for your consideration,
