

## 2019-20 18U (Midget) Program

The Portland Jr. Winterhawks and Head Coaches Paul Gaustad and Cory Dorion would like to invite you to our 2019-20 18U (Midget) AAA(A1) and AA (A2) Travel Program Tryout. We had a very successful 2018-19 season where our A1 team competed in the Pacific District Tier 1 Tournament and our A2 team will be attending USA Hockey Tier 2 Nationals. The new 18U format has gained attention from several Junior teams and has seen high development of our players, with advanced level coaching and systems. We are looking forward to another great season, building off of the success of this past season. We are looking at membership in either the NAPHL or the Tier 1 Elite League for the AAA (A1) team and a competitive independent schedule for the AA (A2) team.

Informational meetings for players and parents will be scheduled as we get closer to the tryouts.

### Tryout Format –

April 27th / 28<sup>th</sup> tryout – All players will be evaluated and some will be selected for early signing to the 18U program.

August Tryout – date TBD – Players will be evaluated, signing of those not signed at the early signing, and AAA (A1) and AA (A2) rosters will be finalized.
